KONE 6.9.9

PRODUCT SPECIFICATIONS

PURPOSE

Normally, you can't unlock a LCE 375 with software version 6.7.18. To unlock the menu, you need to upgrade the EPROM to 6.9.9. The Kone 6.9.9 enables you to do that.

COMPATIBILITY

You can use the Kone 6.9.9 on LCE 375 with software 6.7.18 (for both simplex and duplex).
